To whom it may concern

The students from Liceo Classico 'Gulio Cesare' who spent a week at Ribston Hall High School were excellent ambassadors for both their school and their country. They joined a range of subject classes including English, Mathematics, Science, French, German, Design & Technology, History, Geography, ICT, Dance, Drama and Physical Education in Years 9, 10 and 12.

The students were a pleasure to have in school and we hope that they enjoyed their stay and benefited from the integration.

Their understanding of English was excellent and they had an opportunity to visit the City of Gloucester.

May I take this opportunity of wishing all of the students every success in their chosen careers.
